SKB Cases

May 7, 2022

Snowboard Snuggler is ready for sale!

This is a new snowboard case crafted to be versatile, but still functional.

Huntington Beach, California, May 7, 2022. SKB Cases launched its Snowboard Snuggler on May 7th. This new case has a very unique design. The Snowboard Snuggler is full of special features to benefit our customers. This case is adjustable and built to hold a snowboard, boots, a helmet, and extra accessories. The Snowboard Snuggler will be made available on May 7, 2022. This case can be bought on skbcases.com.

"R.A.D. Productions is dedicated to creating cheap, yet quality products."

The retail price of the Snowboard Snuggler is 300 USD].

Adjustability

This case's adjustability is a very unique feature. It allows for different sized boards to be able to fit in the same case.

Waterproof

The snowboard snuggler is made out of polyethylene. This makes it very heavy duty and watertight keeping the items inside safe.

Lightweight

This case is only 30 pound making it very easy to handle. The Snowboard Snuggler also has wheels for easy transportation.

About R.A.D. Productions

We are committed to researching and developing the best products. We strive to make an impact on the world by creating the best quality products for your business.
